

European Monitoring Centre
for Drugs and Drug Addiction

Prevalence and patterns of drug use among the general population (GPS)

Conclusions and next steps

João Matias

Lisbon, 19-20 September 2016

Next steps

- Update the meeting page, agreement for uploading of presentations
- Ask for volunteers for the monitoring of open source information
- EMQ Alcohol module to be sent again and feedback to be received by October 15
- Online evaluation form to be sent

Next steps

- Output of the meeting
- Please send any information about national studies on drug use in nightlife settings, even if only a reference

Next steps

- Feedback from national abstracts referred a web platform for network management
 - EC Confluence Wiki – work together with COM unit (connected to email alert)
 - 2/3 volunteers needed to test the feasibility

Please send your national questionnaires or share any other relevant information – the network depends on both sides!

Final note

- Thank you for your national abstracts and feedback
- Thank you for speakers and chairs
- Special thanks to Sofia

- Any feedback on the meeting is welcome!
